

Clear Stickers on Sheets – Transparent Vinyl Stickers by DecalWorks

DecalWorks Clear Stickers are digitally printed on premium transparent vinyl, providing a refined and professional appearance with no visible background. These waterproof stickers are well-suited for showcasing logos or graphics on a wide range of surfaces.

Minimum order: £25 ex. VAT

Supplied in Sheet Format

Clear stickers come on sheets for convenient use. For roll format, check our Clear Labels product.

Why Choose DecalWorks Clear Stickers?

Clear Stickers, made from durable waterproof vinyl, have no colored background. They're ideal for complex logos or designs on basic shapes like circles, ovals, squares, or rectangles. Unprinted sections stay transparent and reveal the surface beneath.

***Clear vinyl stickers are not for windows. For window use, see our Window Stickers product. ***
